*The innovative surface technology*

***KBE 76*** double seal system

# protected by colour

## KBE proCoverTec

The proCoverTec surface is extremely tight and homogeneous.

It provides the optimal protection on your window profiles against solar irradiation and weathering effects and offers the minimal hold for particles, effectively eliminating dirt. The satin look presents a quality appearance. This is joined by the pleasant feel of the slightly structured surface. Choose from a wide range of 22 colours. Decide for full cover full cover colour or outside lining.
